

## SEAoA 2024 Excellence in Structural Engineering Awards Call for Entries - Checklist

March 11, 2024

Г.		ITV D		/IENTS
	III TIBII	11 Y H	 IIRFN	/I F INI I 🦠

	Entry must be submitted by a licensed Professional Engineer (P.E.) or Structural Engineer (S.E.) whose
	practice or activity is primarily in the field of structural engineering.  At least one project team member MUST BE A FULL MEMBER OF SEAOA. ("Team member" is defined
	as someone who played an important project role and was active in vital project functions such as team
	management, decision making, design, calculations, details, etc.; however, not necessarily all).
	<b>Projects must have been completed between January 1, 2021 and March 31, 2024</b> , or must be sufficiently complete such that they clearly show the basic design of the structural system.
	sufficiently complete such that they clearly show the basic design of the structural system.
<u>ENTF</u>	EY REQUIREMENTS
	mplete the submission, the following is needed:
ш	Main Submittal: A description of the entry outlining the significant aspects of the entry and their relationship to the relevant judging criteria.  300 words maximum
	<ul> <li>Photographs during construction and of the completed structure. Minimum of four, not more than 12.</li> </ul>
	☐ Plans or sketches may be included (not more than two pages total, 11" x 17" maximum)
	In addition to the main entry submission the following items are also to be submitted for award presentation
	and publication use.
	<ul> <li>A 100-word project summary in Word format</li> <li>Project photographs (4 minimum, jpg/jpeg format) during construction and of the completed structure.</li> </ul>
	- Froject photographs (4 minimum, jpg/jpeg format/ during construction and of the completed structure.
<u>SUBI</u>	MISSION REQUIREMENTS
